MEMORANDUM FOR: Chairman, Technical Surveillance Countermeasures  
Committee

SUBJECT : Caveat on Protection of Training Film

A leader such as the following could be used in the film in  
line with our discussion earlier today.

This film was produced by the Technical  
Surveillance Countermeasures Committee of the United  
States Intelligence Board for use in training and brief-  
ing Government personnel and dependents. Its use for  
this or any other purpose requires the prior approval of  
that Committee.
